

Modern transportation to transform our region.

Lowcountry Rapid Transit is a critical component in the evolution of South Carolina's transportation infrastructure. This proposed 26-mile bus rapid transit system would connect the communities of Charleston, North Charleston, and Summerville along the US 78/US 52 (Rivers Avenue) corridor. LCRT would improve transit and enhance regional mobility in one of the most important and most congested corridors in the state.

LCRT Open House Meetings

Join the Berkeley-Charleston-Dorchester Council of Governments for open house meetings to receive an update and provide input on the project.

Thursday, June 20, 2019
North Charleston
11:00 a.m. to 2:00 p.m.

Northwoods Mall
2150 Northwoods Boulevard
North Charleston, SC 29406

(Accessible via CARTA Route 10)

Tuesday, June 25, 2019
Charleston
3:30 p.m. to 6:30 p.m.

International Longshoremen's Association
1142 Morrison Drive
Charleston, SC 29403

(Accessible via CARTA Route 10)

Drop in any time for the open house! A formal presentation will not be given.

Join us whenever, wherever!

An online version of the meetings will be available beginning June 5 and will provide the same information and opportunities to participate as the open house meetings. You can access the online meeting by visiting lowcountryrapidtransit.com 24 hours a day, seven days a week until July 25, 2019.
