

LOWCOUNTRY GO

VANPOOL

Did you know...Commuting alone is the **MOST EXPENSIVE** way to commute daily to work?

Lowcountry Go proudly introduces **LOWCOUNTRY GO VANPOOL!**

Let us help you improve your commute today!

VANPOOLS:

- Save money on gas. Cut commuting cost by 50%-80%! What could you do with the money you save?
- Save time and money on parking.
- Less Stress – Don't worry about the stop and go traffic, simply sit back and enjoy the ride. Catch up or get ahead on work, read, or rest and arrive at work and back home with less stress.
- Enjoy more flexibility within commute schedules than with public transit.
- Provide reliable transportation to commuters.
- Can provide better accessibility to more job opportunities.

HERE'S HOW IT WORKS:

- Vanpools require at least 4 individuals to participate.
- Lowcountry Go will provide the vans (7-passenger and 15 passenger vans available).
- Participants share in the lease cost.
- Participants should live in the same general area and work generally in the same area with similar schedules and shifts.

Find out how to start your vanpool or get more information to share with your employer about starting a vanpool at Lowcountrygo.com/vanpool
